SUMMARY RECORD OF THE MEETING BETWEEN THE DEPUTY CHAIRMAN,  
PLANNING COMMISSION AND CHIEF MINISTER, PONDICHERY HELD ON  
25.01.2005 TO FINALISE THE SIZE OF THE UT'S ANNUAL PLAN FOR 2005-06.

1. A meeting was held in New Delhi on 25.01.2005 chaired by the Deputy Chairman Planning Commission to finalize the Annual Plan for 2005-06 of Pondicherry.

2. A list of participants is enclosed at Annexure II.

3. Deputy Chairman, Planning Commission welcomed the Chief Minister and officers of the Govt. of Pondicherry. Discussion on finalization of the Plan outlay of Pondicherry for 2005-06 was preceded by a presentation by the UT administration of certain aspects and issues relating to Plan performance. Footage of the damage caused by the recent tsunami in 17 coastal villages in Karaikal region was also shown. While appreciating the performance of Pondicherry in utilizing Annual Plan funds, the Deputy Chairman expressed concern at the loss of lives and the damage caused to public and private property by the recent tsunami. He requested the UT administration to maintain the pace of ongoing developmental activity despite the huge reconstruction requirements to bring back normalcy in the UT.

4. The Chief Minister highlighted the performance of the UT in the fields of health, education, power and water supply. He also touched upon the government's proposal for establishing a data centre as a part of its e-governance initiative. He sought funds for important schemes like establishment of a special economic zone, improvement of the port, extension of the runway for airport development, improvement of the temple town of Karaikal, expansion of the storage capacity of ground level reservoirs at Yanam and upgrading roads and bridges. He also sought Planning Commission's help in getting external funding for implementing projects for the development of infrastructure in Pondicherry. He impressed upon the Deputy Chairman the lack of power for the UT administration for market borrowing and negotiated loans. The UT was also not able to tap financial assistance under the Accelerated Power Development Reforms Programme since a Regulatory Commission for the UT had not been set up.

5. Member (AH) emphasised the importance of tourism in Pondicherry. He felt the need for increasing the availability of tourist accommodation. He requested the UT administration to meet the needs of the industrial sector through infrastructure development, maintain the ecological balance and beautify the city.

6. Member (AS) requested the UT administration to keep in mind the needs of the coastal zone while rehabilitating fisherfolk. He felt the need for developing dormitory facilities in Pondicherry city to meet the requirements of outstation people seeking treatment in the medical colleges in the UT.

7. In response to the demand of the government of Pondicherry for construction of a wall along Karaikal sea coast, the Chairman of the Core Group on tsunami was of the view that massive plantation activity along the sea coast was preferable to construction of a concrete wall, as an eco-friendly solution.

8. The representative of the Ministry of Home Affairs was requested to expedite action to permit the UT to maintain its public account and be eligible for raising developmental loans (as done by States) from the open market.

9. Deputy Chairman emphasized the need for continuation of ongoing programmes while prioritising reconstruction activities of a pressing nature to rehabilitate victims and provide them sustainable income generating activity. He assured the UT administration all help and support from the Government of India and other NGOs in this hour of crisis.

10. After detailed discussions, the Annual Plan outlay for 2005-06 for Pondicherry was approved at Rs.810 crores. Aggregate Plan resources comprise Rs.428.34 crores of the UT's Own Resources and Rs.381.66 crores of Central assistance. Resources from net small savings were agreed to at Rs.138.34 crores. Under Central assistance, the normal (formula-based) Central assistance is Rs.208.91 crores. Approved additional Central assistance for Externally Aided Projects (EAPs) is Rs.3.67 crores. Other Central assistance amounting to Rs.169.08 crores include the following:

- (a) Rs.4.65 crores for the Prime Minister's Gramodaya Yojana (PMGY),
- (b) Rs.26 lakhs for the Nutrition Programme for Adolescent Girls (NPAG),
- (c) Rs.1 crore for slum development,
- (d) Rs.1.15 crores for the National Social Assistance Programme (NSAP),
- (e) Rs.2.02 crores for roads and bridges,
- (f) Rs.160 crores as one-time Special Plan Assistance (SPA) of which Rs.100 crores would be for tsunami related reconstruction work and Rs.60 crores for general Plan programmes in view of the continuing problems faced by the UT in raising loans.

The detailed scheme of financing of the Annual Plan for 2005-06 of the UT as approved in the meeting is given in Annexure I.

11. The meeting ended with a vote of thanks to the chair.
